

## Bollin Primary School

### End of KS2 Assessment Results

2018 Key Stage 2 assessments were the third set of external tests which assessed the new, more challenging national curriculum which was introduced in 2014.

Figures in 2018 are comparable to those in 2017 and 2016. Scaled scores replaced levels in 2016 when expectations for pupils were raised.

Key Stage 2 test results are converted into 'scaled scores' with **a score of 100 being the expected standard**. Any score below 100 means the pupil is working 'towards the expected standard', and any score above means the pupil is working 'above the expected standard'.
